

LIFE FAERIE GLEN HOSPITAL

FAERIE GLEN, GAUTENG

PROJECT DESCRIPTION

The project involved extensive alterations and enhancements to various areas of the Life Faerie Glen Hospital. The reception, pharmacy, and façade have been redesigned and upgraded to modern standards. Key achievements include the successful installation of the atrium roof and completion of the curtain wall glazing, complemented by the removal and replacement of external paving. Internally, the renovated reception area now showcases a modern and efficient layout, ensuring a welcoming and functional environment for hospital visitors.
